Bellbird Hearing was established by local clinicians with many years of experience working in every aspect of Audiology and hearing health care throughout Canterbury. A committed Canterbury-based team, we are dedicated to providing our community with a world-class hearing health care service - including ear wax removal. Friendly and focused, our goal is to achieve the best possible outcomes for all our clients. We use the latest clinical equipment and operate from a purpose-built specialist suburban facility, offering easy access and ample parking. Experience, expertise, independence, and unbiased advice lie at the heart of our service. Welcome to Bellbird – Enjoy better hearing today. The New Zealand Bellbird was described in 1769 by Joseph Banks as having “...the most melodious wild music I have ever heard...”
