Bike Barn is New Zealand's largest bike and bike accessory retailer, with stores throughout the country and 25 years of experience delivering the best advice to Kiwi cyclists. The company prides itself on the sale and repair of bicycles, e-bikes and scooters for all ages, stocking world famous, top cycling brands, including Lapierre, Merida, Kona, Apollo and more all at great prices backed by their Bike Price Guarantee. They promise to beat any competitors price on any comparable bike, regardless of the brand, by 5%. Each of their Bike Barn stores offers bicycles and scooters of all types, as well as a wide range of parts and accessories that everyone needs to have a safe ride. Helmets, gloves, pumps, locks, clothing and shoes – they've got them all. Bike Barn caters to every type of cyclist, from the family rider to the avid mountain biker. So, whatever your cycling needs are, you'll find the right bike and equipment at Bike Barn. In addition, they offer a fully-tiered bike repair service for all of their customers. Starting at \$69 for the Bronze service, you can have all bike brands and types checked and serviced for your assured safety and comfort, regardless of where the bike was purchased. All employees in Bike Barn stores love riding just as much as their customers do, so regardless of your experience level, their friendly team will get you sorted. And of course, you can't leave the kids behind! Bike Barn has one of the most comprehensive kids' bike ranges in the country. Browse the online or in-store selection of trikes, baby seats, and trick scooters for kids today! Ready to grow your adventure? Head to the Bike Barn website to shop online now!
