Gold House is a trusted family-owned pawnshop with roots dating back to the early 2000s. Inspired by the founder's father, who relied on pawnshops during WWII in England, Gold House continues the tradition of helping people unlock the value of their luxury assets. Specialising in sustainable practices, Gold House has upcycled thousands of pre-loved luxury items, promoting a circular fashion economy for a greener future. Offering quick and convenient pawn loans in NZ, Gold House provides same-day cash or bank deposits with competitive rates starting from 5.99%. With a strong commitment to sustainability and customer satisfaction, Gold House proudly serves Kiwis as a leader in clean, preloved luxury items
