Our shaker cap makes it easy for you to mix your protein shake with just one hand--just flip up the spout, fill with your favorite drink of choice (water or milk), then snap back down until tight. The patent-pending shaker cap design also features a leak-proof seal so you can toss it in your gym bag without worrying about leaks! Gymstar has been developed by a team of experienced professionals in the field of fitness and wellness. With many years of experience in this industry, we know what it takes to be successful in achieving goals. Our mission is to create an environment where people can work out without limits or boundaries. It's not just about how much weight you lift at the gym anymore-its about feeling good being yourself!
