"KSI Integrated Facility Services is your trusted partner for comprehensive facility management solutions. Specializing in Electrical, Plumbing, HVAC, Mechanical, and Break/Fix services, we cater to commercial buildings and multi-family units, ensuring safe, efficient, and seamless property operations. Our emergency response services handle urgent maintenance issues promptly, minimizing downtime and disruption while meeting the unique needs of each client. With a client-focused approach, KSI delivers customized solutions designed to keep properties operating at peak performance. Backed by ISO 9001, 14001, and 45001 certifications, we are committed to quality, sustainability, and workplace safety, offering exceptional value and peace of mind all year round."
