At MTF Finance Hamilton, we are passionate about enabling Kiwis to get the things they need for over 50 years. We are proud to offer a personalized service and build great relationships with our customers. Can't make it into a branch? We are happy to come to you. Our team of finance experts is dedicated to personally guiding you through the borrowing process, and forming a partnership that works. We've met millions of New Zealanders since 1970, and every single person is different. That's why we're all about listening to your needs. We now offer more ways to help you do more for your business, and your personal life, a new car loan, Personal Financing, Financing your Lease, Business Loans and much more to achieve your financial goals
