Male offering relaxing man to man massage. Dunedin inner city location, more than 20 years experience. Relax and enjoy while I put my strong hands to work relieving body stiffness or pent up tension. I'm a white male, offering firm experienced sensual and erotic massage from a discreet private central city location only minutes from the Octagon. Outcall prices have an extra charge. Apologies if I am not always available. For best options please contact early to arrange a time to visit.
