Murray's Chimney Services offers reliable and professional chimney cleaning and maintenance in Ashburton, Oamaru, and surrounding areas of South Canterbury. With over 50 years of experience, their expert team ensures your chimney and log burners are safe, efficient, and operating at their best. Whether you need chimney cleaning in Ashburton, chimney sweeping in Oamaru, or any other chimney-related service, Murray's team is equipped to handle it. They specialize in chimney sweeping, log burner installations, flue replacement, chimney inspections, and even bird-proofing to prevent blockages and improve performance. Using advanced SnapLok technology, they provide thorough cleaning, removing soot, ash, and creosote, which reduces the risk of fire and keeps your home safe.
