Create a dramatic entrance to your outdoor area, provide shade or shelter over outdoor dining areas and spa pools or add a focal point to your garden. A popular addition to extend the use of your great outdoors. Our company pays special attention to the details of every project, ensuring the craftsmanship and standard of finish is of the highest quality. Our ultimate goal is to ensure that you are completely satisfied with the end result of your project. We create beautiful designs using combinations of landscape construction including; decking, paving, lawn, gardens, fencing, planting, pergolas and pools. <https://groundworkslandscaping.co.nz/>
