We understand the challenges that come with owning a rental property. It's not just about finding good tenants. There's maintenance issues, inspections, unpaid rent and the list goes on. That's where Propertyscouts Nelson come in. We take the headache out of property management, whilst maintaining flexibility that allows you to be as involved as you want (or don't want) to be. What you can expect from us: We focus on our customers - the property owners and tenants. · We offer a rental guarantee because we are so confident in our proven tenant screening process · We don't charge to organise maintenance · We maintain regular communication with property owners and tenants ·
