Custom made blackout roller blinds are made to create a sense of total privacy. Our Auckland-made Blackout Roller Blinds provide insulation to your home, are great for sensitive sleepers and are an easy way to add practicality and style into your household. If you are looking for blackout blinds or roller blinds Auckland, Cedar Blind Specialists have a great range with quality installation services. Our surprisingly stylish roller blinds are versatile and serve as a practical solution for a variety of purposes, such as serving as a sun blind or shade, or adding an extra layer of privacy for a room. Unlike traditional blinds, these can be raised or lowered effortlessly by either a spring operated control, sidewinder, or automated controls complete with remote control. Our roller blinds or blackout blinds also provide nighttime privacy and ample insulation when it gets cold. These come in a variety of styles and colours, as well, ranging from traditional to more modern colours and fabrics. <https://cedarblinds.co.nz/roller-blackout-blinds/>
