 Sky Media

See on [ServiceFinder.co.nz](https://www.servicefinder.co.nz)

Sky Media's one of New Zealand's fastest-growing digital marketing agencies, due to owner and director Corey Reid's forward-thinking leadership. A Well-Designed Website's Fit to Fly Online, All Day & All Night. We build attention-grabbing WordPress Websites that keep working while you're off the clock. Our fully customised WordPress Websites not only capture the eye, but they're strategically designed to get desired results online. Get Your Site Prioritised by Google to Invite a Big-Time Rise in Enquiries. Did you know 75% of Google users don't go past Page 1? As if that's not enough, the other 25% stop at Page 2! So, where are you? To get your website off the ground and into full flight mode, speak to us about our #1 service – Google SEO... Our Search Engine Optimisation gives your website sky high prioritisation in Google's Search Engine. Rapid Google Ads - The Fastest Way to Get on Google's 1st Page. Get your business on Google's Main Page in just a matter of days. Google Ads are pay-per-click (PPC), which means you only pay when someone clicks on your ad campaign. With 5.4 billion Google searches happening every day, it literally pays to be on Google's 1st Page. If you want more people on your website today, Google Ads are the #1 way. Expand Your Reach with a High-Speed Social Media Marketing Strategy. Our team's High-Speed Social Media Strategy can take the lead with super-targeted Fast-Acting Banner Ads. All you need to do is keep people engaged and it's highly likely they'll like, share, tag and recommend your business's page. Sky Media's a down-to-earth digital marketing team helping Kiwi companies reach new heights online. For more info:- <https://skymedia.nz/web-design/> <https://skymedia.nz/seo/seo-tauranga/>
