Glass kitchen splashbacks are a versatile way of decorating your kitchen. It provides perfect balance of style and functionality. You will get a modern and brighten up kitchen with the colourful 5mm clear toughened glass panels or the image you choose, or even choose mirror-look splash back to expand the visual space of your kitchen. For the bathroom mirror, we use 5mm thick normal glass and any width and height is available by custom order. Order online from our glass splashback manufacturers and we will deliver your glass splashbacks to you within Auckland region. Grand Glass & Hardware Ltd also specialise in other glass specialties such as frameless glass balustrades, glass swimming pool fences and frameless glass shower door systems in New Zealand.
