Welcome to Strait Construction- registered master builders, serving individuals and business in Wellington for over 22 years. Having in-depth knowledge of structural engineering, construction materials and design details, we build structures that are functional, durable and aesthetically appealing. Whether you want remediation of leaky buildings, earthquake strengthening of multi-storey buildings, new builds or commercial construction in Wellington, we cover all. No job is too big or too small for us. So, why wait? Turn your dreams into reality with the assistance of licensed building practitioners. Call now to discuss your requirements. Address:- 4 B Ulric Street, Plimmerton, Porirua, Wellington 5026, New Zealand Phone:- 04 233 8854 Email:- rob@straitconstruction.co.nz Visit:- <https://straitconstruction.co.nz/>
