 Subhasree

 700001, 135A BRB Basu Road, Kolkata

 See on [ServiceFinder.co.nz](https://www.servicefinder.co.nz)

The Subhasree project focuses on implementing Demand Response Management (DRM) solutions across India, helping businesses optimize energy consumption during peak demand periods. By using advanced technology and data analytics, Subhasree enables real-time adjustments to energy use, reducing costs and minimizing strain on the power grid. Click On:- <https://subhasree.in/>
