Hi, my name is Tonia and I am a Digital Marketing Specialist living and working in Alexandra, New Zealand. I can help you with: - Product Photography (convince consumers to buy your products or services with great visual representation) - Search Engine Optimization (make sure your website is easily found online with SEO) - Search Engine Marketing (drive more visitors to your website FAST using Google Advertising) - Social Media Marketing (grow your business using Facebook, Instagram, Pinterest and more) - Analytics (measure your effectiveness and see how you can improve) - Digital Marketing Advice
