New Resident Car Finance - Work Visa Car Loans - New Kiwi Car Loans Securing car finance can be difficult for people who have just recently settled or are on their way to New Zealand, if you have a job or are about to start one we can help! We will appraise your financial position and lending possibilities on the basis of your actual position and situation. With all the people moving to New Zealand from the U.K, South Africa, and Asia we have a great understanding of what you need to help your settling-in process go as smoothly as possible. We have a range of fixed finance options available to suit your budget, with No or Low Deposit Car Finance to approved purchasers. Finance applications only take a matter of minutes on the phone or apply online, and we will work to get you a no-obligation pre-approval so that you can choose the vehicle of your choice. Is your money stuck in transit? Guess what, you're not the only one! At Dave Allen Motors we are happy to take a very small deposit so you can get on the road and simply pay us the balance once your money arrives in NZ. This saves you the unnecessary costs and hassle of hiring a rental car. Have some finance questions? No problem, check out our most commonly asked questions - FAQ's Car Finance Made Simple - Get Pre-Approved Today Sometimes applying for car finance can be a long-drawn-out process of filling in forms and then providing lots of documents. With our paperless system, you can apply for car finance with a couple of easy steps, which can be completed from your smartphone, iPad, laptop, or home pc. Our online application form has literally only 12 easy questions. We then use a system called Credit Sense which is 100% safe and secure. We send you a link via email or text, and once you follow the two easy steps, Credit Sense will send us your bank statements and the information we need to be able to pre-approve your finance application. It is quick, super easy, and best of all it is totally safe. Once your car finance is approved and you've chosen your new vehicle, your contract will be available for signing and can be signed electronically from anywhere. We use a company called Secure Signing which does exactly that, offers secure signing, online, no need to find a pen. And to be sure we can verify your identification we use a company called Centrix, which offers a smart ID solution so we can ensure we comply with the current AML requirements. This also ensures all parties are protected from fraud. With our totally safe buying process, you get an experience almost identical to visiting our dealership. We look forward to helping you with your new car purchase.
