Vertigo Property Management is an owner-operated, independent company based in Red Beach. Property management and finding happy, responsible tenants is what we do and we do it very, very well! You will always have the utmost care when it comes to your home or investment property. We have a comprehensive application process to vet all prospective tenants, regular and detailed inspection reports before and during tenancies and are up to date and compliant with all legislation in our sector. The team at Vertigo has been looking after residential property for over 18 years, we are familiar with the locals and what tenants and landlords want and live and breathe property.
