X2 - bringing inspiration, design and construction together. Innovative Interiors. Expert Builds. Professional Project Management. X2 Interior Design & Construction handles the lot. Whether we're moving a wall, building an extension, recladding the exterior, or doing up the bathroom or kitchen, we can transform your property while taking care of all the details. We can build upwards, downwards or outwards and project manage the entire thing for you. From concept to completion, our highly experienced, professional design and build team will deliver a superb home that more than meets your expectations. We can do every aspect of a construction project from the initial planning & architecture and interior design. Times Two Interior Design and Construction- where Ideas are built - we'll take you from "What if" to "Wow we did it. Auckland builder, interior designer & renovation specialists. Contact our team today. We would love to discuss your home renovation project with you! Call Rebecca Logan on 021 333 918
