Intercept is a company that provides the highest level of services nationwide! By incorporating licensed Security Officers and Intercept is proud to offer our clients a "one-stop protection shop" this allows us to cover all aspects of your business & personal life, so you can have peace of mind. When we talk about the vision, mission, and values of our company, we mean every word we say. These are very important core standards for us at Intercept - the principles upon which our company is founded. Our vision from the start has been to become a one-stop shop for clients so that we are able to remove the hassle and stress of having to deal with multiple companies for many different products and services. It's not easy to maintain such a superior standard, but we believe it's important for us to strive to be the best.
